

JOB DESCRIPTION

Position Title: Gardener, North Gardens

Written By: Susan Mertz, Director of Horticulture

Position Reports to (Title): Eric Perrette, Lead Horticulturist, North Gardens

Effective Date: September 2022

Department: Horticulture

Exempt/Non-Exempt: Non-Exempt, Hourly

1. Position Summary

This gardener position, under the supervision of the Lead Horticulturist, North Gardens (Heartland Garden and Children's Garden) assists with overall horticultural installation, display, maintenance, growing crops, and collections care. Assisting with seasonal festival installation and support of the Garden is an additional responsibility.

2. Essential Functions

Garden Maintenance

Responsible for weeding, mulching, watering, planting, and general maintenance. We strive for excellence with horticultural display and impact on visitor experience, emphasizing the quality of collections, materials, function, and design. By maintaining exemplary standards of horticultural care, we reflect this commitment to excellence, ensure the optimal health of our living collections, and create a landscape of enduring beauty giving a positive impact on visitor experience.

Assist with meeting timelines for displays, installation, maintenance, and containers:

January – clean up perennial beds, take down and store FOL (Festival of Lights) lights

February – clean and compost outside beds, take down and store FOL lights

March – continue clean up and composting of beds, clean up early spring flowering perennials, fertilize perennial beds, planting overwintered perennials, planting early spring annuals, planting spring containers, taking down and store FOL lights

April – forced bulbs in place, install tender annuals and cool season crops, water, weed, deadhead bulbs as needed

May – prune deciduous trees as needed, weed beds, water, edit underperforming plants, daily deadhead perennials and roses, pick Japanese Beetles

June – plant summer annuals first week of June, water, weed, deadhead, stake plants as needed, plant summer containers, pick Japanese Beetles

July – transplant annuals/perennials as needed, prune larger vines as needed, remove dead foliage in perennial beds, deadhead daily

August - transplant annuals/perennials as needed, prune larger vines as needed, remove dead foliage in perennial beds, deadhead daily

September – pull summer annuals in preparation of fall installation, clean up perennial beds, plant fall containers, plant fall beds, install FOL

October – water, weed, prune, install FOL, plant bulbs

November – remove fall display plantings, plant spring bulbs, install holiday display (FOL runs mid-November through December, possibly first weekend in January)

December – water, clean up, replace poinsettias as needed, clean up leaves in beds

Garden Manual

- Assist with annual content updates for the area's garden manual.

Collections

- Assist with maintenance of plants in the collections' greenhouses – Temperate Collection in H1.
- Assist with maintenance of plants in the collections' greenhouses – Seed to Plate tropical and temperate edible displays.

Plant Accession and Plant Tags

- Assist with accurate documentation of the area's plant records and requests for new and updated plant tags.

Production and Growing

- Assist with production of crops for the North Gardens.

Pest and Disease Management

- Identify and control any threatening plant pests and diseases as required.

Seasonal Festivals and Exhibitions

- The horticulture team is an integral part of planning, designing, installing, and tearing down seasonal festivals and annual exhibitions. Participation in meetings, creating designs, hands-on construction, and working festival shifts beyond traditional garden hours will be required.

Facilities Maintenance

- Inspect and communicate concerns and needs in a timely manner allowing enough lead time to manage issues.

Volunteers/Interns

- Assist in providing direction and support for all volunteers and interns in your area.

3. Internal and External Contacts

Internal: Powell Gardens staff, horticulture department, maintenance department.

External: Visitors, donors, volunteers, board members, contractors, vendors.

4. Consequence of Error

The Garden will provide the highest quality experience of a botanical garden. The overall quality and presentation of this garden often provide the visitor with their first impression. The inability to provide quality of these Garden will affect the overall visitor experience, donor cultivation and community support. High standards must be upheld in all areas under this position.

5. Experience/Education

Education	High School Diploma, GED or 2-year associate degree in Horticultural field or related area, Plant Sciences, or related field
Experience	No experience required but preferred 1-2 years in a botanical garden or similar field.
Knowledge	Operate necessary garden equipment and vehicle. Valid driver's license.
Communications	Written and oral communication skills. Timely and organized.
Core Competencies	<p>Action- Oriented Readily takes action on challenges, without unnecessary planning; identifies and seizes new opportunities; displays a can-do attitude in good and tough times; steps up to handle tough issues.</p> <p>Courage Readily tackles tough assignments; faces difficult issues and supports others who do the same; provides direct and actionable feedback; is willing to champion an idea or position despite dissent or political risk.</p> <p>Instills Trust Demonstrates respect of others through honoring commitments; demonstrates fair and ethical behavior with customers and employees; is consistently aware of the shadow he/she casts; gains the confidence and trust of others easily; expresses self in credible and transparent manner.</p> <p>Managing Change & Improvement Measures effectiveness in initiating changes; adapts to necessary changes from old methods when they are no longer practical; identifies new methods and generates improvement in the organization's performance.</p> <p>Nimble Learning Learns quickly when facing new situations; experiments to find innovative solutions; takes on the challenge of unfamiliar tasks; extracts lessons learned from failures and mistakes.</p> <p>Situational Adaptability Notices situational cues and adjusts in the moment; readily adapts personal, interpersonal, and leadership behavior; understands that different situations may call for different approaches; can act differently depending on the circumstances.</p>

6. Physical Requirements/Work Environment

Must be able to lift 50lbs; accomplish strenuous work on an ongoing basis in various conditions, including extreme heat and cold; must have dexterity and be able to groom plants and prune with speed and accuracy; ability to work evenings, holidays and weekends as required.

7. Application Process

- Cover letter addressing the following:

- Why are you interested in the North Garden Gardener position and what do you expect to gain from the experience?
- What is your experience with horticulture and/or gardening?
- Do you have professional or volunteer experience with product displays, exhibits, and/or festivals?
- What areas of horticulture are you currently most interested in?
- Resume
- Three references: professional, academic, and/or personal
